Pioneer Motorcycle Club will be hosting the D-11 Banquet again this year. All riders, family members, and friends are welcome! Awards will be presented to ALL riders that earned awards in the 2009 season! There will also be Door Prize drawings during the banquet! We had to raise the cost of the dinner slightly to increase the amount available for the rider awards. We hope everyone will help us make this year's banquet a success! Directions to the location will be posted on our website *www.pioneermotorcycleclub.com*, please come and share this year's Banquet with us.
