This is a BYOB Banquet!!
(cheaper than a bar)

Due to cutback on district funds and the economy we thought we'd try to make the banquet more affordable to all. This year we are asking everyone to chip in \$5.00 per person and bring a covered dish. We will supply mixes, meat and some type of entertainment.. hopefully we can find a band that will work with us. One good thing about having it at Capital City is if the weather turns nasty we can call folks if we need to cancel and the district will not loose any money. You can call, email or send In form to make reservation. Be sure to include phone number. Be sure to list your covered dish so we don't end up with several of the same thing. Sharon said she will bring her famous noodles! Hope this works for you all this year.
