#01-08 Submitted by Tom Cowher 4/29/08

Article V Harescrambles Section A

Change: Add 50cc stock (4-6) which includes AMA class 1, 3 and 4 machines. Add 50 cc stock (7-8) which includes AMA class 1, 2 and 4 machines.

Reason for change: More and More Honda and Yamaha 50's are showing up at events and are not technically legal in our current 50cc classes. [Vote: 12 in favor 0 opposed. Goes to Oct Meeting for final vote.](#)

Article V Harescrambles Section A and D

Change: Novice classes are eligible for year end awards. Riders listed in the top six (6) at year end in any other class except youth riders would not be eligible to ride in the Novice class the following race season. Those who finish in the top six (6) in the novice class at the end of the season will advance out of novice permanently.

Reason for change: Novice riders ride just as long and hard as any other class and the GP's are already giving them awards so we should in harescrambles since they have been probationary for at least four years. [Vote: 7 in favor 5 opposed. Goes to Oct Meeting for final vote.](#)

#04-08 Submitted by Jeremy Dexter 8/26/08

Article V Harescrambles Section A

Change: Open A (pro) top 14 riders from any previous season and any rider wishing to ride in the class on any size motorcycle. Any rider eligible to ride the Vet, Senior and Super Senior may choose to do so rather than ride the Open A (pro) class. However, they will not be eligible for the overall Amateur at any race or the year end overall Amateur award.

Reason for change: Current wording: "A" riders are only for 1 year or while the rider is in the top 14. All riders regardless of age finishing in the top 14 in the prior season must ride Open A (pro) class. Once you ride A you must remain in that class for the rest of the season. This wording would be changed to the above to allow riders to ride in a class they can be competitive in and still have fun. [Vote: 9 in favor 0 opposed. Goes to Oct Meeting for final vote.](#)

Article VII Grand Prix Section A

Change: The following classes will pay year end awards in 2009: 125/200B, Heavyweight B, 25+, 16-24 and 4 stroke heavy B.

Reason for change: We have had riders ask that these classes pay year end points and have had a large amount of riders in each class this season. It would give some riders incentive to ride a second class. [Vote: 9 in favor 0 opposed. Goes to Oct Meeting for final vote.](#)

Reason for change: There are currently no youth classes that pay district points in Grand Prix and it will give the youth riders more incentive to enter these classes. [Vote: 9 in favor 0 opposed. Goes to Oct Meeting for final vote.](#)

Article X District Year end awards Number 4

Change: District awards will be given to top 5 riders in each class.

Reason for change: Most riders who place 6th do not attend banquet to get awards and division chairman carries them around to give them out if they even want them. This would reduce the amount spent by the district. **Vote: 9 in favor 2 opposed. Goes to Oct Meeting for final vote.**
